Phil,

did you hear from Tim or Doug here at TNC?

I was on vacation visiting inlaws in Florida and then spent two days in Wasilla for the MatSu Salmon partnership symposium and now both Tim and Doug are out of the office.

I should be here next Wednesday if want to swing by our office.

Tim, Doug and Marcus,

I will be in Anchorage for a meeting on the afternoon of November 25th. I am wondering if any or all of you are available that morning to discuss wetland conservation around Tyonek, Bristol Bay and the Kenai Peninsula and how the we might be able to support each other or collaborate with our work.

I would drive up that day, so a 10 to 12 time frame works best for me.

Phil
